

# Accelerated Bachelor of Science in Nursing (ABSN)

56 Credits Required to Graduate\*

## Semester 1

### Session I

- Biomedical Ethics (can be taken as a prerequisite) [3cr]
- NURS 311AC: Accelerated Pharmacology [3cr]
- NURS 372AC: Accelerated Pathophysiology [3cr]
- NURS 359LAC: Accelerated Health Assessment [3cr]
- NURS 310AC: Accelerated Fundamental Applications Clinical Learning Experience
- NURS 310CAC: Accelerated Fundamental Applications Clinical Learning Experience
- NURS 312AC: Accelerated Dosage and Calculations: Mathematics for Nursing\*\* [1 cr]

### Session II

- Biomedical Ethics (can be taken as a prerequisite)
- NURS 311AC: Accelerated Pharmacology
- NURS 372AC: Accelerated Pathophysiology
- NURS 359LAC: Accelerated Health Assessment
- NURS 310AC: Accelerated Fundamental Applications Clinical Learning Experience
- NURS 310CAC: Accelerated Fundamental Applications Clinical Learning Experience
- NURS 312AC: Accelerated Dosage and Calculations: Mathematics for Nursing\*\*

## Semester 2

### Session I

- NURS 380AC: Accelerated Community Health and Health Promotion [2cr]
- NURS 380 ACAC: Accelerated Community Health and Health Population Clinical Learning Experience
- NURS 382AC: Accelerated Adults in Health and Illness I [2.5 cr]
- NURS 382CAC: Accelerated Adults in Health and Illness I Clinical Learning Experience
- NURS 424AC: Accelerated Women's Health and Illness [2cr]
- NURS 424CAC: Accelerated Women's Health and Illness Clinical Learning Experience

### Session II

- NURS 392AC: Accelerated Adults in Health and Illness II [2.5 cr]
- NURS 392 ACAC: Accelerated Adults in Health and Illness II Clinical Learning Experience
- NURS 427AC: Accelerated Children and Adolescents in Health and Illness [2cr]
- NURS 427CAC: Accelerated Children and Adolescents in Health and Illness Clinical Learning Experience

# Accelerated Bachelor of Science in Nursing (ABSN)

56 Credits Required to Graduate\*

## Semester 3

### Session I

- NURS 475AC: Accelerated Mental Health Nursing [2cr]
- NURS 475CAC: Accelerated Mental Health Nursing Clinical Learning Experience
- NURS 435AC: Accelerated Adults in Health and Illness III [3cr]
- NURS 435CAC: Accelerated Adults in Health and Illness III Clinical Learning Experience
- NURS 460AC: Accelerated Nursing Leadership and Management [2cr]
- NURS 400AC: Accelerated Nursing Research/Informatics [3cr]

### Session II

- NURS 435AC: Accelerated Adults in Health and Illness III
- NURS 435CAC: Accelerated Adults in Health and Illness III Clinical Learning Experience
- NURS 460AC: Accelerated Nursing Leadership and Management
- NURS 490 AC: Accelerated Transition to and Strategies for Professional Practice [3cr]
- NURS 490CAC: Accelerated Transition into Practice Clinical Learning Experience

Total Credits [cr] 56/Total Clinical Learning Experience (in hours) 650

\*Applicants must have completed the following prerequisites before starting the program:

Anatomy & Physiology I, Anatomy & Physiology II, Microbiology, and General Psychology or Human Growth Development. These prerequisites can be taken at The Catholic University of America or transferred from another accredited institution/previous degree.

\*An Entrance HESI score of 80 or an Entrance TEAS score of 58.7 is required to progress in the program. The minimum science GPA is 3.0, and the minimum cumulative GPA is 3.0 .

\*\* Students can attempt to test out

Sessions are 7-8 weeks in length. Some courses are conducted throughout two sessions.
